## OTW Missions and Monastery Pre-trip Survey

Why did you sign up for this course? Give the two most important PERSONAL reasons. Be honest and brief. Don't be influenced by what the other students say

1.

2.

On a scale of 1 to 5, rate the following statements. Don't be influenced by ratings by other students.

	1 = Disagree completely 2 = Mostly disagree 3 = Disagree somewhat 4 = Agree somewhat 5 = Mostly agree 6 = Agree completely					
Statement	1	2	3	4	5	6
I will take photographs for sharing.						
I would do photo selection and editing for photos to be shared with the school.						
I am excited to write about the trip in the journal.						
I would help coordinate the making of a slide show for the school.						
I am experienced at camping and would like to help others.						
I would like to help cook food.						
I want to help set up camp and clean up camp.						
I would like to organize a beach activity.						
I am interested in studying more about missions, beyond the handout.						
I am interested in learning more about California history.						
I would make a presentation about one of the missions.						
I would come to learn about and practice meditation at the campgrounds.						
I would come to practice yoga on the beach, if offered.						
I am interested in listening to talks about meditation and stress reduction on the bus.						
I would like to ask questions to the monks at the monastery, including preparing beforehand.						
I am interested in helping cook the meal offering at the monastery.						
I am interested in learning more about Southeast Asian culture, as it manifests at the monastery.						
I can delay dinner Wednesday (until a 10pm snack) in order to attend the evening program						
I had hoped to spend the night at the monastery.						
I would have skipped dinner (after a big lunch) for 1 to 2 nights in order to camp at the monastery.						
I would like meditation instruction at the monastery.						
I would make a presentation about the experience of visiting the monastery.						
If I were 21 years old, I'd be happy to drive (just kidding).
